

MV24 - 2004

HOW FAR CAN YOU GO?

From Downtown St. Louis proceed on Interstate 64 approximately 29 miles to Exit 27. Take a left onto IL 161 about 3 miles to the New Baden Village Park, at the intersection of IL 161 and 160.

The Mississippi Valley 24 Hour Challenge

August 14 - 15, 2004

Fourth Annual

RIDE ACROSS THE ILLINOIS PLAINS

The flat farmlands around the small Village of New Baden provide the perfect backdrop for the Mississippi Valley 24 Hour Challenge. The low traffic county roads that comprise the 53 mile day route and the 12.21 mile night route are fairly well maintained. Most are low-traffic, but expect some busier roadways.

CHOOSE YOUR CHALLENGE

You may choose either a 12 or 24-hour challenge, but you must declare your intentions by 6:00 A.M. August 14, 2004. Registration will close at this time.

PSVs are recommended, but not required for The Mississippi Valley 24 Hour Challenge.

MANY REWARDS

Besides the feeling of personal achievement, there will be trophies for 8 categories in each challenge. The MV 24 is a non-drafting event

The categories for both the 12 and 24 hour challenges are:

Women: Ages 18-24, 25-34, 35-50, 50+

Men: Ages 18-24, 25-34, 35-50, 50+

There will also be overall best mileage trophies in the 12 and 24-hour categories.

LODGING

As of this printing, there are no group arrangements for lodging. There are several motels in Fairview Heights, Illinois, about 15 miles away. It is recommended you make reservations early. We will try to assist you if possible.

REGISTRATION FEES

The registration fee for the 12 and 24-hour challenges is \$50. There will be a late fee of \$30 applied after July 31, 2004. The Mississippi Valley 24 Hour Challenge is a nonprofit event. All fees will go for running the event; any large excess will be divided and refunded.
